

# Introduction to Health Care Apprenticeship

**10 a.m. - Noon  
Wednesdays,  
Jan. 17 and 24, 2018**

**Midtown Job Center  
3301 Eagle St.  
Room 104**

**Are you interested in a  
career in Alaska's fastest  
growing career field?**

Attend this orientation and find out about new opportunities in the health care field. Hear about program services including job search assistance, resume preparation, referrals to partner agencies, funding for job search expenses, funding for relocating to that next job, and/or funding for training that will upgrade your skills and lead to that new career. We will explore health care careers and our new health care apprenticeship programs.
