

OBI Seafoods NOW HIRING Dock Worker in Bristol Bay

ESSENTIAL FUNCTIONS:

- Ties/unties incoming/departing vessels to moorings.
- Hook up shore power, phone lines and install/adjust/remove gangway as needed.
- Deploys/retracts oil boom around vessels as needed.
- Monitors tidal fluctuation and makes or reports the need to make necessary line adjustments accordingly.
- Reads work order or email or follows oral instructions from Dock Manager.
- Opens containers and inspects and sorts cargo, if applicable, before loading and unloading.
- Loads and unloads materials or garbage onto or from pallets, trays, racks, and shelves by hand and keeps dock free of debris (cardboard, pallets and garbage).
- Loads and unloads ship cargo, using winches and other hoisting devices. Secures lifting attachments to materials and conveys load to destination or signals crane or hoisting operators to move load to destination.
- Packs materials onto flatbeds or into containers and installs strapping, bracing, or padding to prevent shifting or damage in transit.
- Operates safely equipment within its limitations.
- Keeps piers free of debris not part of a specific project.
- Inspects, notes and reports damage to pier to manager for repair.
- Maintains skiff and float dock.
- Inspects camel logs along pier, in water, and reports damage to manager.
- Inspects/cleans oil boom as needed.
- And more!
