The Alaska Forum is the state's largest cross-sector gathering of professionals, organizations, and community members. It brings together leaders from government, business, education, nonprofits, and communities across Alaska to tackle projects, challenges, and ideas that shape the state's future. **New in 2026, the conference will feature a full-day Job Fair**, offering direct access to the state's top employers across a variety of fields with those ready to launch careers across Alaska. Attendees can find complimentary resume writing support and professional headshots, as well as on-site networking opportunities throughout the conference. This event is designed to connect talented individuals with organizations that are hiring across a wide range of fields.

Employers from fields including:

- Alaska Native Corporations
- State and Federal Agencies
- Resource Development
- Environmental Remediation
- Trades & Trade Schools
- Military
